SAFRAN

WORLDWIDE

Safran is a leading international high-technology group and tier-1 supplier of systems and equipment for aerospace and defense. Through our global presence, we not only enhance our competitiveness, but also build industrial and commercial relations with the world's leading prime contractors and operators, while providing fast, local service to all customers. Working alone or in partnership, Safran holds world or European leadership positions in its core markets. In February 2018, Safran took control of Zodiac Aerospace, significantly expanding its aircraft equipment activities. Zodiac Aerospace has 32,500 employees and generated sales of 5.1 billion euros for its fiscal year ended August 31, 2017.
